Gifts to the UI Foundation, the channel preferred by The University of Iowa for private support, qualify as charitable contributions to an IRC Sec. 501(c)(3) organization for federal income, estate, and gift tax purposes.

When all contributions are received, if the gift commitments are insufficient to endow this fund (if applicable) or cannot be used in the manner described, the Foundation may designate that these gifts become expendable and/or used to support another UI purpose that most closely reflects the fund's original intent.
